

# **Song medley for Ann and Ray's wedding shower**

**January 17, 2007**

**By Brenda Darnley Martin**

## ***Yesterday***

**Yesterday, Ann and Ray were just friends they say  
Now it looks as though together they'll stay  
Oh, they were friends just yesterday.**

**Suddenly, they started sitting separately  
So as not to show their inner glee,  
Oh, yes their love was a mystery.**

**Why Ann kept it a secret, poor Ray, he could not say  
He waited patiently through a lot of yesterdays**

**Yesterday, life was so hard for Ray  
He had a secret he had to hide away  
Oh, he's moved on from yesterday!**

**When Ann finally agreed they could tell the others here  
Ray said – that's just great – now let's go and have a beer!**

**Yesterday, Ray dreamed of having Ann be his bride  
Now she'll always be right at his side  
Oh, Ray is through with yesterday**

## ***Today***

**Today as the blossom still clings to the vine  
Ann woke very early and saw all the signs  
That her wedding day's coming just one month from now  
She'll never be ready if she doesn't hurry and how!**

**Today as Ann worked in her office so fast  
She caught all the whispers of staff going past  
"She'd better pick her china, linens and more,  
Or she's going to get whatever is left at the store!**

## ***Tomorrow***

**The wedding will be  
Tomorrow  
or the morrow after morrow  
That's tomorrow  
There's not much time!**

**Just thinkin' about  
Tomorrow  
Makes us worry you must hurry so you 'll  
Have the time  
To get things done  
Tomorrow! Tomorrow!  
Oh don't cause us sorrow!  
Ann get all your planning done!**

**Tomorrow! Tomorrow!  
Oh don't cause us sorrow!  
Ann get all your planning done!**

## ***Going to the Chapel***

Winter is here  
The Tampa sky's blue  
(whoa-whoa-whoa)  
Birds all sing  
As if they knew  
Next month is when  
You'll say "I do"  
And you'll never be lonely anymore  
Because you're

Goin' to the chapel and you're  
Gonna get married  
Goin' to the chapel and you're  
Gonna get married  
Gee, we can't believe it - you are  
Gonna get married  
Goin' to the chapel of love

Bells will ring  
The sun will shine  
(whoa-whoa-whoa)  
Ray will be Ann's and  
She'll have her man  
They'll stay in love  
'Til the end of time  
And they'll never be lonely anymore  
Because they're

Goin' to the chapel and they're  
Gonna get married  
Goin' to the chapel and they're  
Gonna get married

Gee, we can't believe it - they are  
Gonna get married  
Goin' to the chapel of love
