*(Dedicated to Mike on His 50<sup>th</sup> Birthday)*

**Parody by Brenda Darnley Martin**

**Baby Face.**

**You had the cutest little baby face.  
When you were young and in that Motown place.**

**Baby Face.**

**So young, so much to live for.  
Now you're 50 plus so much more!**

**Baby Face.**

**We're here to tell you  
That your life's not nearly done.**

**When you need a shove,  
Or when your life seems rough,  
We're here for Baby Face.**

**Baby Face.**

**You had the cutest little baby face.  
When you were young and life was slower paced.**

**Baby Face.**

**Now you live the rat race.  
Never forget your mace.**

**Baby Face,**

**We're here to tell you  
That your life's not nearly done.**

**When you need a shove,  
Or when your life seems rough,  
We're here for Baby Face.**
