

**Shannon's Shower Song: "You Can't Hurry Birth"
(Sung to "You Can't Hurry Love" by the Supremes)
By Brenda Darnley Martin - February 15, 2007**

I need drugs, drugs
To ease my pain.
I need to have - have this baby now,
But the doctor says:

**You can't hurry birth-
No you just have to wait!
'Cause birth don't come easy-
It's a game of wait and weight!**

**use this refrain again
at the end of the page**

**You can't hurry birth-
No you just have to wait.
You've got to wait, wait patiently;
No matter how long it takes!**

But how many times must I cry
Before I finally know - my waters gonna break?
Right now the only thing
That keeps me hangin' on,
Is when I think about
My baby's smiling face – smiling face.

**Oh, you can't hurry birth-
No you just have to wait.
'Cause birth don't come easy
It's a game of wait and weight!**

**How long must I wait
How much more can I take-
Before this sweet little guy
Will find the way to see the sky?**

No I can't stand to live this way much more;
I grow impatient to see my feet down on the floor!
But when I feel that I'm, I'm about to scream-
I make Jer - e - mee go out to buy me lots more ice cream!

Use first refrain from above
